NOTICE TO RESIDENTS SEWAGE BILL ADJUSTMENT/SWIMMING POOL FILL CREDIT

Rostraver Township Sewage Authority permits a once per-year swimming pool fill credit. The credit is only given in 500 gallon increments. In order to get this credit, you must come into our office to pick up a deduct meter, which will be on a first come first serve basis. ***The deduct meters will not be reserved.*** This will require a \$120.00 deposit (cash or check) for the deduct meter, which is refundable upon return on the undamaged deduct meter. If the deduct meter is damaged upon return, a credit will be not given. Since we have a high number of pool fill requests and a limited number of deduct meters, the deduct meter will be ***limited to 3 days***. If the deduct meter is not returned within 3 days, the \$120.00 deposit will be forfeited and/or loss of credit. This request is necessary in order for us to adequately fill all requests in a timely manner. The RTSA will not honor any swimming pool fill credit request that did not use a deduct meter. **NO EXECPTIONS.**

The Rostraver Township Sewage Authority also has deduct meters for purchase. This meter can be used year round. The deduct meter is installed on the outside water line and the water used through this deduct meter will not be charged for sewage. Interested parties can contact the Rostraver Sewage Authority for more details.

Thank you for your cooperation in this matter. If you have any questions, please feel free to call this office.
